

Electronic Acknowledgement Receipt

EFS ID:	9883845
Application Number:	10554075
International Application Number:	
Confirmation Number:	2845
Title of Invention:	Seamless steel tube which is intended to be used as a guide pipe and production method thereof
First Named Inventor/Applicant Name:	Marco Mario Tivelli
Customer Number:	20995
Filer:	Todd D. Reynolds/Valerie Jones
Filer Authorized By:	Todd D. Reynolds
Attorney Docket Number:	TAMSA.001APC
Receipt Date:	14-APR-2011
Filing Date:	06-SEP-2006
Time Stamp:	21:02:39
Application Type:	U.S. National Stage under 35 USC 371

Payment information:

Submitted with Payment	no

Total Files Size (in bytes):			69682436		

This Acknowledgement Receipt evidences receipt on the noted date by the USPTO of the indicated documents, characterized by the applicant, and including page counts, where applicable. It serves as evidence of receipt similar to a Post Card, as described in MPEP 503.

New Applications Under 35 U.S.C. 111

If a new application is being filed and the application includes the necessary components for a filing date (see 37 CFR 1.53(b)-(d) and MPEP 506), a Filing Receipt (37 CFR 1.54) will be issued in due course and the date shown on this Acknowledgement Receipt will establish the filing date of the application.

National Stage of an International Application under 35 U.S.C. 371

If a timely submission to enter the national stage of an international application is compliant with the conditions of 35 U.S.C. 371 and other applicable requirements a Form PCT/DO/EO/903 indicating acceptance of the application as a national stage submission under 35 U.S.C. 371 will be issued in addition to the Filing Receipt, in due course.

New International Application Filed with the USPTO as a Receiving Office

If a new international application is being filed and the international application includes the necessary components for an international filing date (see PCT Article 11 and MPEP 1810), a Notification of the International Application Number and of the International Filing Date (Form PCT/RO/105) will be issued in due course, subject to prescriptions concerning national security, and the date shown on this Acknowledgement Receipt will establish the international filing date of the application.
